

# YADAV PRODUCTS

The Socks Specialist.

# Company profile

Established in the year **1986**, **Yadav Products** is involved in the area of manufacturing and wholesaling a broad range of **Men Cotton Socks, Ankle Socks, Lycra Socks, School Uniform Socks, Stockings, Sports Socks.**

With our broad range of products, we cater to a large amount of clients all over India who appreciate our consistent quality, competitive pricing and personal service.

# Director's voice

Our company has been in the socks manufacturing business for the last 38 years. Established in 1984, the company has been crafting high-quality socks for our customers and has always ensured that we have churned out the best quality products at competitive prices. The company has superior quality product lines in the sock factory, ensuring that all our products meet and exceed the set industry standards.

At Yadav Products we always believe in delivering the socks with highest quality with latest technology. And also keeping the core values of our founder Lt Sh. B. S. Yadav intact. We believe that there may be lot of companies that have bigger infrastructure and strength from us but whatever we do, we must stick to the basics of a successful enterprise i.e.. **Commitment**, **Quality** and most important is **Ethics**.
